DIVISION OF BONDS AND COMMISSIONS.

To this division is assigned the duty of preparing and transmitting all letters of appointment of newly designated postmasters, together with blank bonds and oaths for execution; recording the names of postmasters, the dates of their appointment, the names of their sureties; examining all bonds, to see that the same are properly executed and filed away alphabetically by States, and preparing all postmasters' commissions for the signature of the President or the Postmaster-General (as the case may be).

In this division are kept a complete record of all bonds of postmasters and a record of the dates when postmasters' commissions are issued.
